ALL COUNSEL OF RECORD

Re: United States v. Martin, MJG-17-069

Dear Counsel:

I presume you have the Federal Judicial Center Book entitled "National Security Case Studies."<sup>1</sup> The Sixth Edition (2015) includes some three dozen cases studies describing what was done in various cases presenting national security issues, including the Drake case in which some of you were counsel.

I would appreciate it, if you could advise me of any of the case studies that involve situations analogous to those that will be presented in the instant case.

Although in letter form, this document constitutes an Order and shall be docketed as such by the Clerk.

Yours truly,

/s/  
Marvin J. Garbis  
United States District Judge

<sup>1</sup> If you do not have the book, I presume there will no difficulty in your obtaining it.
